_____ “The World vs. The Word: Social Media”

Walk through the world of social media with me. How you use it vs. how you can use it for God’s purpose. Let’s make social media a good thing.

_____ “Loud Storms and Heavy Silence”

Do you struggle with depression and anxiety? You are not alone! Let us ride along with Elijah as he deals with these struggles as well.

_____ “More Than A Quiet Time”

What would change if you really believed Jesus was with you during every part of your day? In this interactive workshop, we’ll work through John 15 together and practice simple ways to remain connected to Jesus at school, at home, and everywhere in between. Come discover how living with Jesus throughout everyday life can shape the way you respond, obey, and love others.

_____ “Hunting Season”

You are being hunted. 24/7/365, no seasons, no bag limits, no restrictions on weapons; it’s open season on YOU every day. We will dive into this reality and help you realize how you’re being attacked so that you can use the teachings of Christ to survive and help others to do the same.

_____ “Wake Up and Smell the TULIPS”

Did Jesus die for everyone? Is it possible to lose your salvation? How did God choose us? The teachings of Calvinism can be broken up into five points that create the acronym TULIP. But is that what the Bible actually teaches?

_____ “Questions?”

Questions can ignite growth but only if you ask them. Come and ask your questions and see where things may lead you. Come ready with your questions about God, the Bible, the church, and everything in between. We’ll spend our time answering your questions and discovering the wisdom that can be gained by digging into things we may not know.

_____ ”Meet the New You”

Do you know the incredible and mind-bending truth of who the new you really is? Heaven is eager for you to embrace it, and the enemy is terrified you will.
